TIPS FROM OTHERS ON...

FLEXIBILITY

"Our company runs multiple shifts, so we try to select a date that works for the majority of our staff. For those who cannot attend the picnic due to their work schedule we provide Any Day Tickets and HoliCash so they can still enjoy the park on a date that works best for their family."

WHO TO INVITE

"I would say the biggest factor is this is the only event we invite our employee's entire immediate family to, rather than just them and a Guest. We also offer the option to buy extra tickets for non-immediate family members at our discounted price. It is honestly something our staff looks forward to every year."

REMINDERS

"Send out a reminder of their picnic date once a month after booking the date. The reminders come out once a month for six months or more and each time provide a little more info."

TIMING

"Choose a date early and send that out to all employees. We choose a similar day and month every year, which helps keep things consistent. What really helps the turnout is employees get paid for attending the picnic. If they don't attend, employees must show up to the office and work a regular 8 hours."

Thank you Holiday World for helping us plan our final company picnic! We had a fantastic time, the food was delicious, and our expectations were exceeded!

– Patricia Racobs, UAS

We had another great time at Holiday World! It's wonderful seeing all our employees enjoying time with their families!

– Kenda White, United Fidelity Bank

It's clear to me as an event planner how much care goes into the details, both for groups and for the park in general. I really appreciated the envelopes for tickets, which contained clear instructions and timing.
