

## For a Safe and Enjoyable Visit...

- Please use this brochure to plan your allergen-friendly meals.
- Order your allergen-friendly meal ahead of time by arriving at the restaurant at least one hour prior to your desired meal time. A member of our Food Allergy Team will answer your questions and take your order. Your family may then continue enjoying the park until your mealtime. We'll safely prepare your allergen-friendly meal while you play!
- For faster service, we recommend eating main meals during our slower food-service periods (before 11:00 am and then from 2:00 pm to 5:00 pm CT).
- Ingredient lists and preparation practices are subject to change; please be sure to request current ingredient information from a member of our Food Allergy Team before ordering.
- Questions? Please contact our Food Service Office at 812-937-4401, ext. 3333.
