

Gluten Free Menu Guide 2015

For a Safe and Enjoyable Visit...

- Please use this brochure as a tool to plan your Gluten Free meals!
- TIP: Items listed as "Special Order Allergen Items"...order those ahead of time...at least one hour prior to your desired meal time. Visit the location to place your order. Or, we can take your information over the phone. As these menu items take additional time to prepare, this will allow your family to continue enjoying the park as your meal is prepared.
- For faster service, we recommend eating main meals during our slower food-service periods: before 11:00a.m. and between the hours of 2:00 and 5:00p.m. Central Time.
- Ingredient lists and preparation practices are subject to change; please be sure to request current ingredient information from a member of our Food & Beverage Management Team before ordering.
