- Locations with "Allergen Friendly" Menus:
  - ⇒ Kringle's Kafe

- Please use this brochure as a tool to plan your Allergen Friendly meals!
- TIP: order your allergen-friendly meal ahead of time...at least one hour prior to your desired meal time. Visit the location to place your order. Or, we can take your information over the phone. - For faster service, we recommend eating main meals during our slower food-service periods: before 11:00a.m. and between the hours of 2:00 and 5:00p.m. Central Time.
- Ingredient lists and preparation practices are subject to change; please be sure to request current ingredient information from a member of our Food & Beverage Management Team before ordering.
