For a safe and enjoyable visit...

Please use this brochure as a tool to plan your
Gluten Free meals!

TIP: Items listed as “Special Order Allergen
Items”...order those ahead of time...at least one
hour prior to your desired meal time. Visit the
location to place your order. Or, we can take your
information over the phone. As these menu
items take additional time to prepare, this will
allow your family to continue enjoying the park as
your meal is prepared.

For faster service, we recommend eating main
meals during our slower food-service periods:
before 11:00a.m. and between the hours of 2:00
and 5:00p.m. Central Time.

Ingredient lists and preparation practices are
subject to change; please be sure to request
current ingredient information from a member of
our Food & Beverage Management Team before
ordering.
